

## Greenhouse Assistant needed

## Conservation of Pacific Northwest Butterflies

Spring – Summer  
2009

Assistant needed to help in the greenhouse for research related to conservation of Pacific Northwest butterflies. Work in April and May to include a few hours per week to seed and maintain plants for summer experiments. Opportunity to substantially increase involvement in June and July when experiments commence. Applicant must have strong work ethic and attention to details.

To apply please send a cover letter, resume/CV, and contact information for at least two references to: Cheryl Schultz, Washington State University Vancouver, 14204 NE Salmon Creek Ave, Vancouver, WA 98686 or [schultzc@vancouver.wsu.edu](mailto:schultzc@vancouver.wsu.edu) Please call 360-546-9525 for more information. Application review will begin immediately and continue until position is filled.
