

Academic Advising Consultant Charge

WSU Vancouver is interested in hiring a consultant who can provide recommendations related to several specific academic advising items. We are looking for recommendations on the following:

- An Advising Model/Structure appropriate for our campus that:
 - incorporates best practices
 - conducive to established campus advising goals/expectations
 - effective and easy to understand for students, faculty and staff and
- Suggestions on how to effectively improve communication across advising units as well as with students
- General best practices with academic advising
- As possible, best practices as applied more broadly to retention
