

# Master In Teaching (M.I.T.)

College of Education, Department of Teaching and Learning

## Description

Our graduate level teacher certification program is the perfect fit for those who have a bachelor degree in another subject, but decide teaching in grades K-8 is their real passion. Our faculty members are former teachers themselves who are top researchers in their field in child education. Throughout this challenging 15 month program, students are mentored by professional teachers in a public school as they practice their new skills in front of an actual classroom.
