EXCEPTIONS TO THE FINAL EXAM SCHEDULE ABOVE

- Classes that begin at 5:45pm or later will have their final exam for 2 hours on the regularly scheduled day, at the normal start time. For example, a class scheduled on Tuesdays at 6:00pm will meet on Tuesday of final exam week from 6:00pm-8:00pm. If a class meets two days a week with a start time of 5:45pm or later, the final exam will be held on the earliest meeting day for two hours. For example, a class that meets at 5:45pm on Tuesday and Thursday will take the final exam on Tuesday from 5:45-7:45pm.
- One day a week classes will have the final exam scheduled on the day the class normally meets in the exam time slot that most closely fits the class meeting time. For example, a class that meets only on Mondays from 9:10-11:50 will have their exam on Monday from 8:00-10:00.
- If a class meets more than 2 days per week, such as Monday, Wednesday, and Friday, they will follow the M,W final schedule. A class that meets on Tuesday, Thursday, and Friday, will follow the TU,TH final schedule.
- Classes meeting at times other than those described above will have the final exam scheduled by the Registrar's Office in consultation with the instructor.
