PUBLIC SAFETY ASSISTANCE
WSU Vancouver Public Safety Department provides nonemergency public safety services free of charge. To contact a police officer, page **360-690-1527**.

EMERGENCY BLUE LIGHTS
If you are having an emergency, look for a **blue light**. The blue light identifies the location of an emergency telephone. Press the button to be connected to a 911 dispatch operator. Every call is responded to by a police officer.

Note: Automated entrances are available at most entrances of every building. Follow posted signage around campus for elevator and restroom locations.
